Rental & Refurbished Equipment

Maximize Your Budget With Premium Quality

Refurbished Equipment: *Like New, For Less*

- **Manufacturer's Expertise:** We build it, we know it. Our refurbishing process leverages decades of expertise, ensuring the highest quality standards.
- **OEM Parts:** Only the best for your equipment. We use original equipment manufacturer parts for optimal performance and longevity.
- **Skilled Craftsmanship:** Experienced technicians meticulously service every unit, guaranteeing reliability.
- **Comprehensive Support:** Our dedicated team of Technical Service Representatives, Parts Representatives, and Engineering staff is just a phone call away.
- **Warranty Included:** Enjoy peace of mind with a limited warranty on every refurbished unit.

Rental Solutions: Flexibility and Convenience

- **Extensive Selection:** Choose from a variety of ovens and environmental chambers available for monthly rental.
- **Affordable Testing:** Perform your own testing on your schedule without straining your budget.
- **Access to Quality Equipment:** Get a premium quality test chamber without the capital expenditure.
- **Try Before You Buy:** Test equipment at your facility to make informed purchasing decisions.
- **Validate Your Process:** Prove your test process before investing in new equipment.
- **Rent-to-Own Option:** Rent on a monthly basis, earn credits, and purchase the equipment when ready.

We Buy Used Equipment

Have older TPS equipment you're not using? We might want it! Contact us today.
